## Sorosis Activities Announced

A meeting of the University of Dayton Sorosis was held at the Loretto on March 27. Brother Tom Price, S.M., was the guest speaker and reviewed a current book. Brother Tom allowed time for "renewing old acquaintances and recalling 'old times.'"

This March meeting also ended the term of service of last years' officers. The new officers would like to extend a vote of thanks to those who have completed their term of office. The terms of the new officers began in April.

As is the annual tradition of Sorosis, the present members will again be hostesses at a Sunday afternoon tea to the women graduates of the University of Dayton class of 1952.

### Welcome Tea . . .

Future alumnae are to be most cordially welcomed by members of Sorosis at the Annual Tea on Sunday, May 4, at Mrs. Benhams, 2419 Far Hills Ave., Dayton. Members of Sorosis trust that the '52 graduates will make the organization an integral part of their alumnae social and educational, and cultural living.

The calendar of coming events includes the May dessert bridge and the Card Party in the fall. Planning on the Card Party indicates that something extra special is to take place.

Sorosis would like to extend a special pre-graduation wish of success to those of you who will be ending your studies at the University this June, 1952.

**FRONT COVER:** May we present the flag-raising at the dedication of the new R.O.T.C. Building on the University of Dayton campus, March 31, 1952. The dedication program included an address by Mr. Robert S. Oelman, Executive Vice President of the National Cash Register Company, Dayton. The Very Rev. John A. Elbert, S.M., Provincial, Cincinnati Province, Society of Mary, blessed the building. The presentation of the new structure was made by Father George J. Renneker, S.M., president of the University, to Lt. Col. Oliver C. Kinney, commandant of the University's R.O.T.C. Unit.

### "From My Notebook"

The President's Report of the University of Dayton entitled "From my Notebook" was released by Father George J. Renneker, S.M., president. He reviews the academic year, 1950-51, covers curricular changes and expansion, and charts a financial statement of the University.

Among significant events listed in the section, "Year in Review," were the dedication of the fieldhouse, accreditation of three departments of the Engineering College by the Engineers' Council for Professional Development, the awarding of second place to the Flyers in the National Invitational Basketball Tournament, and the commencement address of the Most Reverend Karl J. Alter, D.D., LL.D., Archbishop of Cincinnati.

Concerning the curricular changes

and expansion Fr. Renneker pointed out two decisions of the Administration. First, the degree Bachelor of Science in Secretarial Studies has been discontinued with students desiring Secretarial Studies given three options:

- 1) Two-year terminal program leading to a Certificate in Secretarial Studies.
- 2) Four-year curriculum leading to the degree of Bachelor of Science in Business Administration;
- 3) Four-year curriculum leading to the degree of Bachelor of Science in Education, Commercial Education.

Second, in September, 1951, a Department of Industrial Engineering was inaugurated.

The University President made note of the affiliation of Good Samaritan Hospital with U.D. in the field of Medical Technology. The

affiliation is an extension of the existing cooperative education in effect with the Diagnostic Laboratories of St. Elizabeth, Miami Valley and the Veterans Administration Hospitals.

Value of departmental meetings instituted during the year, and off-campus conferences attended and participated in by faculty were recognized. Twelve members of the staff were cited for holding executive positions on committees of allied organization and on more than fifty occasions members of the staff made educational contributions to local organizations.

The University's program of leaves of absence for study gave two staff persons an opportunity to earn Masters degrees; one a doctorate, while three others are candidates for doctorates.

In other sections of the report Father Renneker paid tribute to the University's leadership in the community, choral activity and to student organizations. He devoted full pages to the Mathematics Honor Society, spiritual activities, testing and research projects and the Guidance Center. Through testing, research and the Guidance Center the University is contributing to the welfare of this area is the opinion of Father Renneker.

## FINANCIAL REPORT

In the section dealing with the finances of the University, Father Renneker states that income of the institution totaled \$1,024,279 with expenditures reaching \$974,902. This shows a balance of \$49,377 with no provision for replacement of educational plant and equipment.

Contributed services in the form of administrative and teaching duties of fifty members of the Society of Mary constitute a type of living endowment which enabled the University to avoid a serious deficit.

## DEVELOPMENT PROGRAM

It is hoped this "apparent solvency" will be replaced by a healthier financial condition through an extensive Development Program now being planned, according to Father Renneker. The Development Program is a long-range plan for improvement and expansion of university facilities and services. It includes the raising of funds for faculty and academic development and for building expansion.

A breakdown of athletic finances is also included in the report. It dis-

closes a 1950-51 intercollegiate Athletic Department income of \$153,155. Expenditures for the same period totaled \$150,055. The balance of \$3,100 was applied to the retirement of the outstanding debt of \$188,000 on the fieldhouse.

The President noted an appropriation of \$40,000 from student educational receipts assisted materially in sustaining a top-flight program of intercollegiate athletics as desired by students and citizens of this area, alike. He stated: "The University is happy to offer this extra-curricular program and will continue to do so as long as financial demands do not become too burdensome. Actually, we see intercollegiate athletics as having values both to the citizens of Dayton and the Miami Valley as a public service and to our students and alumni as a unifying force and builder of prestige and good will."

## Burse Established For Bro. Wipfield

Friends of Brother James Wipfield, S.M., will be interested in knowing of the "Chaminade Scholarship," established by friends of Bro. Wipfield in the Hawaiian Islands, in recogni-

tion of the 30th anniversary of his religious profession in the Society of Mary.

Bro. Wipfield, at the present time, is Inspector-Treasurer of the Society of Mary's Province of the Pacific. He was appointed to this position in 1948 when the new province of the Pacific was established, and is in charge of the staffs of the Marianist schools in Hawaii and California. Recently he was principal of Chaminade High School, Dayton. And prior to this had taught for ten years at St. Louis College, Honolulu. Some of his activities at St. Louis College which he supervised included the Commercial Club, The Sodality, The Speech Department, The Campus Improvement Club and the Alumni Newsletter.

The goal of the scholarship has been set at \$5,000. To date, a total of \$2,650 has been received.

According to the St. Louis College paper: "When consulted about the scholarship fund, Brother James said: 'I don't know what could be better. I am sure the fund will be used to educate some deserving boy from Hawaii or California to take his place in the ranks of the Brothers.'"

## Mixed Chorus Receives Honors

The University of Dayton Mixed Chorus placed fourth in a recent competition sponsored by the Sacred Heart Program and Fred Waring. Two hundred and eight college choral groups participated in this international contest. All sections of the United States, Canada and South America were represented.

A tape recording of the program theme "O Love Divine" was submitted on Jan. 15, 1952. These tapes were then judged by a committee of four, namely: Fred Waring, Roy Ringwald, Robert Mitchell, who is director of the Mitchell Boy Choir, and Mario Salvador.

St. Genesius Guild Glee Club took first place. Seattle University won second place. St. Louis University and the University of Dayton were named to third and fourth places respectively.

### Cleveland Program

The Chorus will travel to Cleveland for programs on May 1st and 2nd. An evening concert is being sponsored by St. Joseph High School. This is the new Catholic High School on Cleveland's East Side and is staffed by the Society of Mary.

The Chorus would enjoy seeing any of its former members now living in Cleveland, and would like to meet members of the Alumni Club there. The morning of May 1st, the University of Dayton Chorus will sing for an assembly at Cathedral Latin. In the afternoon of May 1, Rocky River High School will be hosts for the Dayton choral group.

### Alumnus is Nominee For Sheriff

Bernard L. "Beno" Keiter, class of 1942, has received the endorsement of the Montgomery County Republican Executive Committee for the post of Sheriff.

Keiter, a Stivers' High School graduate, will be remembered as one of the all-time U.D. football greats. He served as an officer with the Marine Corps during World War II, and again in Korea. Beno, after serving eighteen months in Korea, has returned to his former position with the Montgomery County Probation Office.

He is married to the former Betty Wheelock and has two young daughters.

MEMBERS OF THE UNIVERSITY OF DAYTON MIXED CHORUS HAVING SOLOS in the programs to be given in Cleveland, May 1, are Anita Clune and Paula Shay. Seated at the piano is Nelson N. Harper, Jr., director.

## Line Coach Named at U.D.

John Spezzaferro, head basketball and assistant football coach at Chaminade High School, Dayton, has been named line coach of the University of Dayton Flyers.

Spezzaferro succeeds Ed (Chief) Toscani who resigned in March to go into business.

The new Flyer assistant coach, who stopped six Japanese bullets while serving with the Marines in the Pacific, played football and basketball at Heidelberg college before being graduated with a bachelor of arts in political science in 1947. He also holds a masters degree in physical education from Western Reserve.

The 30-year-old war vet coached frosh football and basketball, and varsity track at Heidelberg in '47-'48 before becoming head football coach at Wilbur Wright High School here for the '48 and '49 seasons. Spezzaferro's Pilots won four and dropped five in each of his two seasons there.

After a year as line coach at Holy Name High in Cleveland, where Joe Gavin coached prior to his coming to Dayton, Spezzaferro took the post at Chaminade.

The new Flyer line boss, fifth in five seasons, assumed his duties at Dayton March 24. Gavin reported that present plans call for Spezzaferro to work with centers and guards, while Gavin himself will coach tackles and ends.

## Spring Practice Playoff

A scrappy band of White Trash, sporting a veteran defensive unit and a youthful offense, upset the favored Bluebloods 13-7 in a full scale game at U.D. Stadium as a wind-up of Joe Gavin's spring practice session.

Approximately 600 chilled fans braved wintery blasts as Pat Maloney captained the White Trash and played the Bluebloods off their feet. The White Trash, who played "possession ball," rolled up an amazing 451 net yards on offense while holding the Bluebloods to 220.

The White Trash, controlling the ball for 60 plays as compared to 31 for the Bluebloods, shook loose sophomore fullback Vern Weber on a 47-yard touchdown jaunt with just two seconds remaining in the first half.

Pat Currin, fast moving frosh back, missed the extra-point attempt, but the White Trash left the field with a 6-0 lead.

Through most of the third period, the White Trash, aided by a Blueblood fumble and pass interception by Dick (Candy) Durbin, retained possession of the ball. Freshman Jimmy Spoerl, who completed 10 of 21 passes for 203-yards for the afternoon, did a neat job of masterminding the White Trash.

However, with less than two-minutes remaining in the third period, the Bluebloods snatched a White Trash fumble to set the stage for a ramble by crowd pleasing Bobby Recker. Starting from the White 36,

Recker hit off left tackle and with some nifty blocking raced into the end zone.

The little junior from Toledo was the Bluebloods' main threat as he carried the ball just nine times but gained a net of 101-yards. With Joe Young holding, Paul Spakowski converted to give the Bluebloods a 7-6 lead.

That one point appeared mighty large until late in the fourth period when Spoerl got the White Trash rolling again. Hal Gabel, who stepped into fullback after Johnny Vukelich and Vern Weber had been injured, started the push with a 31-yard scamper around left end. Pat Muldoon, who made several circus catches during the afternoon, snagged a Spoerl pass and Jimmy himself ran one to the Blueblood 25.

From there Spoerl pitched a pass that Pat Currin leaped for and came down with on the two-yard line. Chuck Guida, whose fancy running bothered the Bluebloods all day, then stepped off around right end for the score. Pat Currin converted.

The determined White Trash fought off a Blueblood surge with Jim Donnelly intercepting a Frank Siggins pass on the White 12 and returning it 66 yards to the Blueblood 22 as the game ended.

## Trophies Awarded

Awarding of trophies highlighted halftime ceremonies of the annual

spring football game in U.D. Stadium April 6, with Jimmy Currin, sensational pass catching junior end from Cincinnati taking top honors.

Currin was voted by his teammates as the Most Valuable Player of the 1951 team that played on the Salad Bowl. For this honor he received the large trophy donated by William J. Green, for White-Allen, and presented by Lefty McFadden of the Dayton Daily News.

Jim Currin's brother, Pat, received a spring trophy award as most improved back, giving the Currin family two trophies for the day.

Hank Mally, president of the Flyers Club, Inc., presented trophies sponsored by the club. Winners of the trophies for outstanding performance during the spring sessions were:

Most Improved Lineman—Tom Carroll

Most Improved Back—Pat Currin

Best Blocking Back—Jim Akau

Best Blocking Lineman—Ed Clemens and Jim Raiff (Dual award made because respective abilities of these two were so close.)
